10 Days That Unexpectedly Changed

We live in a very dark world. From stories of murderers walking free to killers boasting about their crimes on Facebook to terrorists targeting innocent civilians, experience shows time and again that a real-life “happy ending” is more than most victims can expect. However, sometimes a flicker ...

I've always been used to pressing the ' and " button twice to get the respective characters. But recently, it changed without my involvement. Now, when I press the button, I get 2 of them immedia...

keyboard - Windows 10 changed how quotation marks work ...

Something is shifting (stealing) focus from my active window (active program) in my Windows, as I'm currently using it. I have the same problem as described in this question, with a few exceptions:. I observed this behavior on (at least) two different computers, so this is not a machine-specific.

Active window (program) unexpectedly loses focus in ...

102 Minutes That Changed America is a 102-minute American television special documentary film that was produced by the History channel and premiered commercial-free on Thursday, September 11, 2008, marking the seventh anniversary of the September 11 attacks. The film depicts, in virtually real time, the New York-based events of the attacks primarily using raw footage from mostly amateur citizen ...

If you are using an OS with UAC, turn that off. Check your OS event logs and SP logs for any errors. An admin user would probably not be able to create files in that directory if the user was not in the required groups with UAC active.

Timer service keeps terminating unexpectedly

Derry is the only remaining completely intact walled city in Ireland and one of the finest examples of a walled city in Europe. The walls constitute the largest monument in State care in Northern Ireland and, as the last walled city to be built in Europe, stands as the most complete and spectacular.

President John F. Kennedy rides in a motorcade with his wife Jacqueline moments before he was shot and killed in Dallas, Tx., Nov. 22, 1963. Texas Governor and Mrs. John Connally are also in the car.

How JFK's assassination changed American politics

Yep. Happened to a friend of mine's wife. The dead beat dad didn't want anything to do with the kids and was fine with no visits as long as he didn't have to pay child support but right after mom got married and the new husband was wanting to adopt the deadbeat got a girlfriend who pushed him to have more involvement with his kids and a lengthy custody battle followed.
