Philosophy of Education. And Jesus increased in wisdom, and stature and in favor with God and man. -Luke 2:52 The Watersprings School Philosophy of Education is based on the truth that God's word is the standard for all truth, and that the Bible is the inspired, inerrant and authoritative work of God.

Watersprings School - Idaho Falls

A school is an educational institution designed to provide learning spaces and learning environments for the teaching of students (or "pupils") under the direction of teachers. Most countries have systems of formal education, which is commonly compulsory. [citation needed] In these systems, students progress through a series of schools. The names for these schools vary by country (discussed in ...

The Role of Education Quality in Economic Growth. by Eric A. Hanushek and Ludger Wößmann. The importance of education is emphasized by society. However, the role of improved schooling, a central part of most development strategies, has become controversial because expansion of school attainment has not guaranteed improved economic conditions.
