For nearly 20 years, The Good Shopping Guide has made a significant positive difference to the environment, to animal welfare and to communities across the globe, by helping people make informed decisions about which companies and brands are best for the planet, best for animals and best for people world-wide.

### **Ethical Comparison | The Good Shopping Guide**

Overview. The guide is compiled by a team of editors, which according to the official website "comprises some 50 editors, writers, researchers and contributors; mostly parents but some former headteachers." The website states that it is "written by parents for parents", and that the schools are not charged for entry in the Guide, nor can they pay to be included, though featured schools may ...
