### **A Moment To Talk Life**

A moment that transforms us into a different person from one heartbeat to the next. The moment when a lover confesses that there's someone else and that he's leaving. Or the day we bury a father or mother or best friend. Or the moment when the doctor informs us of a malignant brain tumor.

When you start thinking "I need a friend," it's an important moment in your social life. It's a sign that you don't have a friend that you can talk to or confide in. You shouldn't waste that moment by distracting yourself. Instead, it's time you take real steps to find, and make friends with people who can become close friends with you.

### **Nick Offerman Takes A Moment To Talk About His Family Life**

Hello, sorry to bother you, but I was hoping I could borrow just a minute of your time. You see, lately I've been thinking about whether there's something more to life, something I've been missing. There are even times when I feel like I've lost my way and may never find it again. So while I really don't want to intrude, I was wondering if you might have a moment to tell me about our ...

World War Z. Yes, believe it or not, a book about zombies can change your life. That's because it's not just about eating brains, it looks at cultural divides, politics, war, and conflicts that seem petty once the fate of the world is at stake. It's an eye-opener that just happens to also be filled with awesome zombies.

Killing people doesn't make you a hero. Even if they're bad people. No, heroism is helping save someone, or trying to, in a moment of crisis. That's really heroic. Some people never even get that moment. Some people avoid that moment. Plenty of people run from that moment when it shows up. A hero is just someone who trades their life for a moment.

Sometimes a game comes at just the right moment in your life. 'Flower' is beautiful, serene, and a bit of sunshine in a gloomy world. I remember going through a rough spot in my life and turning on 'Flower' for a little break in the day. You fly through luscious landscapes collecting petals and painting the world with life.
