Many of the smartphones Tracfone sells are less powerful, but also less expensive devices. They are generally more than adequate for the moderate cell phone user, but heavy smartphone users will want to spend a little more and buy a phone with more performance capability.

TracfoneReviewer: Cell Phone Reviews

A mobile phone, cell phone, cellphone, or hand phone, sometimes shortened to simply mobile, cell or just phone, is a portable telephone that can make and receive calls over a radio frequency link while the user is moving within a telephone service area. The radio frequency link establishes a connection to the switching systems of a mobile phone operator, which provides access to the public ...
