

## *Analysis Of Antacids Lab Report Answers*

### **Analysis Of Antacids Lab Report**

Results: Another observation would be the chemical reaction between the antacid and the HCl (aq) . The solution produced heat, gas, and condensation along the sides of the Erlenmeyer flask as a result of the CO<sub>2</sub> (g) and H<sub>2</sub>O (g) escaping the system.

Transcript of Analysis of Antacid Tablets. Rolaids is the best buy because it is cheapest when comparing its effectiveness. One tablet of Rolaids is 0.81g. Times 47 would be 38.07 grams needed to be neutralized. To convert to moles of HCl, divide by the molar mass, 36.35, and you get 1.05 moles.

Chemistry lab report. Analysis of antacid Aim The aim of this lab is to find how much 1 moldm<sup>-3</sup> of HCl is neutralized for different brands of antacids, per recommended dosage (1 tablet or 5ml of suspension) Variables Independent variable: The brand of the antacid, there will be 5 brands, either one tablet or 5ml of suspension is used Dependent...

Antacid Analysis - Antacid Analysis Lab Report Kathie... Bicarbonate is alkaline (basic) and neutralizes the hydrochloric acid secreted by the parietal cells, producing water in the process (Martini, Nath, & Bartholomew, 2012). This continuous supply of bicarbonate ensures that the stomach wall itself is not damaged by the hydrochloric acid.

Ninnah Gendill CHE 112-701 Formal Lab Report Analysis of Antacid Tablets I. Introduction An acid-base titration is a method of neutralizing strong acids. Unbeknownst to many, acid-base titrations occur on a daily basis. Our stomachs use acid to help us digest our food - approximately . 155 hydrochloric acid (HCl) with a pH of 2-3.

Antacid Lab Report - Page |1 Determining which antacid is... In addition, a person can use antacids, such as Tums, Mylanta, or Milk of Magnesia, which contain more base ions and are more efficient in neutralizing HCl than saliva alone (Tro, 2013). This preview has intentionally blurred sections. Sign up to view the full version. This is the end of the preview. Sign up to access the rest of the document.
