

Binary Option Trading Guide

Binary Option Trading Guide

A binary option is a financial exotic option in which the payoff is either some fixed monetary amount or nothing at all. The two main types of binary options are the cash-or-nothing binary option and the asset-or-nothing binary option. The former pays some fixed amount of cash if the option expires in-the-money while the latter pays the value of the underlying security. They are also called ...

Binary option - Wikipedia

Binary Option Trading Explained. Also known as digital options or fixed-return options, binary options belong to a special class of exotic options in which the payoff is either a fixed predetermined amount or nothing at all.
