I am so excited to be starting another year! This year I will be teaching all 4 sections of the sixth grade math. I sincerely hope the following information will answer many of the questions you have regarding 6th grade math.

### **6th Grade Mathematics - Overview**

Hi to all, This is a great post. Im not quite experienced with VBA codes and was very easy to adapt to my needs. however I got a question: I replaced the numbers on the cells with a formula to adjust the max and min values, but when the formula changes the new value, it does not update on the chart, unless I double click-enter on each of the cells.
