The Cisco Certified Network Associate (CCNA) serves as the single most popular Cisco certification. This popularity is driven by the fact that Cisco lists the CCNA certification as the prerequisite for most other Cisco certifications, including the other Cisco CCNA Concentration certifications, plus the Cisco professional level certifications, like CCNP.

Hello there. The other day I received a message from a Certification Reference Guide reader who expressed concern over how he should approach the renewal of his Cisco Certified Network Associate credential. We do have options in this regard, so that's what we'll cover in today's post. After you have earned your CCNA (requirements), the title is valid for three (3) years.
