Lateral violence is a multilayered, complex problem and because of this our strategies also need to be pitched at different levels. In Chapter 3 I have looked at the big picture, with the human rights framework as our overarching response to lateral violence. In this Chapter I will be taking our strategies to an even more practical level, looking at how we can create environments of cultural ...

4 Approaches to Improving Survey Response. In previous chapters, we have summarized evidence that survey nonresponse is a growing problem. In a paper that has been cited often in this report, Brick and Williams (2013) raised the disturbing possibility, based on their analyses, that the intrinsic rate of increase in nonresponse in U.S. household surveys might be 0.5 percentage points or so per

year.
