This is the start of the project, and the goal of this phase is to define the project at a broad level.

RQ8 Tech

The City of New York, usually called either New York City (NYC) or simply New York (NY), is the most populous city in the United States. With an estimated 2018 population of 8,398,748 distributed over a land area of about 302.6 square miles (784 km²), New York is also the most densely populated major city in the United States. Located at the southern tip of the state of New York, the city is ...
