In mythology, the Greek underworld is an otherworld where souls go after death. The original Greek idea of afterlife is that, at the moment of death, the soul is separated from the corpse, taking on the shape of the former person, and is transported to the entrance of the underworld. The underworld itself—sometimes known as Hades, after its patron god—is described as being either at the ...

The Descent of Inanna. Image source .. Dr Nugent is quick to point out that drawing parallels between the story of Jesus and the epic of Inanna “doesn't necessarily mean that there wasn't a real person, Jesus, who was crucified, but rather that, if there was, the story about it is structured and embellished in accordance with a pattern that was very ancient and widespread.”

### **Dragon Mania Legends - Wikipedia**

An ancient conspiracy has been quietly burgeoning behind the bustle of the modern world. From the mounds of America, to the megalithic ruins on the island of Sardinia in the Mediterranean Sea, the desiccated bones of dead giants are being systematically disinterred and secreted away to clandestine vaults for apocalyptic purposes.

Divinely revealed religions across the world point to a single omnipotent deity. Even traditional faiths and mythology seem to point to the worship of a single deity in their origins. However, we can also observe polytheistic traditions that seem to have evolved from an erosion of monotheism. Man ...

Birds and Creation Myths from several regions associate birds with the creation of the world. One of several creation stories in ancient Egypt said that when land rose out of the primeval waters of chaos, the first deity to appear was a bird perching on that land. The Egyptians called the god the Benu bird and portrayed it as a long-legged, wading heron in the sun temple at Heliopolis.

Once we slip beyond the bonds of mortality, we generally hope that our corpses are treated with a measure of respect -- if not out of reverence for the people we were, then at least to prevent potential hauntings (some of us are very petty and would definitely haunt). But some well-known dead folks weren't so lucky.
