Multiple choice or objective response is a form of an objective assessment in which respondents are asked to select only correct answers from the choices offered as a list. The multiple choice format is most frequently used in educational testing, in market research, and in elections, when a person chooses between multiple candidates, parties, or policies.

English is an Indo-European language and belongs to the West Germanic group of the Germanic languages. Old English originated from a Germanic tribal and linguistic continuum along the Frisian North Sea coast, whose languages gradually evolved into the Anglic languages in the British Isles, and into the Frisian languages and Low German/Low Saxon on the continent.

For this item type you need to read the passage and answer the multiple-choice question. There is more than one correct response. You need to select all the response options that you think are correct from the list of possible options.

### **Reading Multiple Choice, Single Answer | PTE Academic**

The response options may be words, phrases or sentences. Use your own knowledge to decide whether any of them are unlikely to be correct, or likely to be correct. You can do this before you read the text. If you read the text but cannot answer the question, choose the option that you think is most likely to be correct. This strategy also applies to multiple-choice questions with more than one ...

English is a West Germanic language that was first spoken in early medieval England and eventually became a global lingua franca . It is named after the Angles , one of the Germanic tribes that migrated to the area of Great Britain that later took their name, as England . Both names derive from Anglia , a peninsula in the Baltic Sea . The language is closely related to Frisian and Low Saxon ...
