Live Mode. After you have tested your app and, if necessary, completed App Review, you can switch it to live mode. Switching your app to live mode does not make it automatically discoverable through Facebook.com or any search engines. If you want your app to be discoverable, you must market it yourself or manually add it to the App Center.

Facebook makes it easy to upload and share photos with your friends and the entire world. Over time, however, you may wish to delete photos. Maybe they're inappropriate, or maybe you simply don't want them posted anymore. Facebook allows you to easily permanently delete individual photos or entire photo albums. Keep in mind, however, that you can only delete photos that you have posted -- not ...
