The Greek government-debt crisis is one of a number of current European sovereign-debt crises. In late 2009, fears of a sovereign debt crisis developed among investors concerning Greece's ability to meet its debt obligations because of strong increase in government debt levels. This led to a crisis of confidence, indicated by a widening of bond yield spreads and the cost of risk insurance on ...

As you can see, I started with a political observation about the American people being naturally inclined to support growth and upward mobility, which suggests limited appeal for the spiteful agenda of Bernie Sanders, AOC, and the rest of the class-warfare crowd.. I hope I'm right about that, and a quick online search found this bit of somewhat-encouraging polling data from 2014.
