The American Enlightenment was a period of intellectual ferment in the thirteen American colonies in the 17th to 18th century, which led to the American Revolution, and the creation of the United States of America. The American Enlightenment was influenced by the 17th-century European Enlightenment and its own native American philosophy. According to James MacGregor Burns, the spirit of the ...

Voltaire was a versatile and prolific writer. In his lifetime he published numerous works, including books, plays, poems, and polemics. His most famous works included the fictitious *Lettres philosophiques* (1734) and the satirical novel *Candide* (1759). The former—a series of essays on English government and society—was a landmark in the history of thought.

AbstractThis article contributes to debates about the value and utility of the notion of postfeminism for a seemingly "new" moment marked by a resurgence of interest in feminism in the media and among young women. The paper reviews current understandings of postfeminism and criticisms of the term's failure to speak to or connect with contemporary feminism.
