A literature circle is equivalent of an adult book club, but with greater structure, expectation and rigor. The aim is to encourage thoughtful discussion and a love of reading in young people. The true intent of literature circles is "to allow students to practice and develop the skills and strategies of good readers" (DaLie, 2001).

### **Literature circle - Wikipedia**

Renaissance literature refers to European literature which was influenced by the intellectual and cultural tendencies associated with the Renaissance. The literature of the Renaissance was written within the general movement of the Renaissance which arose in 14th-century Italy and continued until the 16th century while being diffused into the rest of the western world.
