Lee Jeans Fit Guide

Men's Fit Guide. For over 100 years, fit—and the comfort that comes from a great fit—has been at the forefront of all the men's jean styles we design. From the waist and hips to the backside, undercarriage, and length—our design team sweats the small stuff to make the ideal jean fits for men's body types.

Most jeans these days are made with a mid-rise, since high-rise jeans are a 70's trend and low-rise jeans are both harder to find and to wear. A mid-rise jean falls at the natural waistline, and it offers the most flattering fit across a range of body types. As a result, we will focus on mid-rise jeans in this guide.
