Medieval Europe A Short History

In the history of Europe, the Middle Ages (or medieval period) lasted from the 5th to the 15th century. It began with the fall of the Western Roman Empire and merged into the Renaissance and the Age of Discovery. The Middle Ages is the middle period of the three traditional divisions of Western history: classical antiquity, the medieval period, and the modern period.

Prior to medieval times, there were several sophisticated methods of message dissemination, including the messenger systems of the Persian Empire, and the relay-runner system of the Inca state. When the Roman Empire dissolved, Western Europe began to rely less on state messengers and more on private arrangements made between groups and individuals. In medieval times, people needed access to ...

Slavery had mostly died out in western Europe about the year 1000, replaced by serfdom. [dubious - discuss] It lingered longer in England and in peripheral areas linked to the Muslim world, where slavery continued to flourish. Slavery became more widespread in Ireland throughout the 11th century, as Dublin became the biggest slave market in Western Europe.
