The law school letter of recommendation (LOR) is a document used to support a student's application for law school, one which will often play an important role in the outcome of the individual's acceptance. Although there are a few institutions which don't put much weight behind the letter of recommendation, the majority of universities consider an application incomplete without two ...

The labor theory of value (LTV) is a heterodox theory of value that argues that the economic value of a good or service is determined by the total amount of "socially necessary labor" required to produce it, rather than by the use or pleasure its owner gets from it (demand) and its scarcity value (supply).. LTV is usually associated with Marxian economics, though it also appears in the ...
