Powtoon - Importance of Studying Money, Credit and Banking

A model of money, credit, and banking is constructed in which the differential pledgeability of collateral and the scarcity of collateralizable wealth lead to a term premium - an upward-sloping ...

Money, Credit and Banking | Request PDF - ResearchGate

Abstract. We show that a competitive banking system is inconsistent with an optimum quantity of private money. Because bankers cannot commit to their promises and the composition of their assets is not publicly observable, a positive franchise value is required to induce the full convertibility of bank liabilities.
