Why not get started on writing your own obituary? This is your chance to say what you want others to know about you. Do it for yourself: for peace of mind knowing that you have had your say.

How To Write Your Own Obituary

At last, a book that shows you how to build—design—a life you can thrive in, at any age or stage. Designers create worlds and solve problems using design thinking. Look around your office or home—at the tablet or smartphone you may be holding or the chair you are sitting in. Everything in our lives was designed by someone.

The Book | Designing Your Life

Don't have buttermilk in your refrigerator? Use this easy buttermilk recipe with milk and vinegar to make your own DIY buttermilk at home.

How to Make Your Own Buttermilk - Southern Living

You probably thought that a blink was just something you did to keep your eyes moist or keep dust out of them. That is a very valuable service, of course, but we actually blink way more than needed for that alone—about 15 to 20 times per minute. In fact, closing our eyes briefly has been found, according to a study by Washington University, to help sharpen attention and serves as a miniature
