Your customer certainly has to believe you can do the job, but they cannot wonder if you're going to get back to them, or if you're going to do something stupid (again?), or offend one of their customers. Your practice is never more stable than when your customers trust you completely to take care of them.

You want to breed your dog... So you want to breed, and your dog passes conformation, temperament, health and genetic testing. First you have to find a compatible/non-related stud, with all the same background testing as your female, i.e. conformation, temperament, health, genetic testing and good non-related pedigree.

You want to breed your dog?

Since the beginning of the computer age, people have always enjoyed making computers talk to them. These days, that functionality is built right into Windows and you can easily use it to have your PC read documents to you.

How to Make Your Computer Read Documents to You

When you enter some text into a cell such as "2/2", Excel assumes that this is a date and formats it according to the default date setting in Control Panel. Excel might format it as "2-Feb". If you change your date setting in Control Panel, the default date format in Excel will change accordingly.

Women are demanding to be heard and represented more than ever, but not all women want the same thing. HuffPost, Yahoo, MAKERS and other Verizon Media brands partnered with CARE to poll 1,000 women across America about the future they want and the changes that still need to come. We're dedicated to giving the millions of women in our audience a real voice.
