Rethinking Autonomy A Critique Of

This article reviews a thought-provoking speech by Dan Pink about the surprising science of motivation, which was delivered at TED in 2009. Pink delivers a masterful speech which demonstrates many strong speech techniques, including: A powerful opening, which establishes a framework utilized throughout;

Speech Critique: Dan Pink (TED 2009) - Six Minutes

Last Tuesday, the Governor of Alabama signed the most restrictive anti-abortion bill in America into law. The new law bans abortions even in the case of rape and makes performing an abortion a Class A felony, punishable by up to 99 years in prison. Despite the low probability of this law going into effect, it has provoked a slew of commentary from both sides of the aisle.

Rethinking Abortion Advocacy - Quillette

Nuclear weapons have long played a central but often unappreciated role in American grand strategy. In spite of the unimaginable consequences of their use in war, we know far less about how the bomb shapes U.S. national security and world politics than we should. Both our leading theories and histories have failed to fully explain important choices American leaders have made about the bomb ...

1. Aims and Methods of Moral Philosophy. The most basic aim of moral philosophy, and so also of the Groundwork, is, in Kant's view, to "seek out" the foundational principle of a "metaphysics of morals," which Kant understands as a system of a priori moral principles that apply the CI to human persons in all times and cultures. Kant pursues this project through the first two chapters ...

Kant's Moral Philosophy (Stanford Encyclopedia of Philosophy)

Co-edited with Klas Roth (Stockholm University). Published by Routledge in 2011. Reviewed by Owen Ware (Temple) at NDPR. Immanuel Kant's moral philosophy, political philosophy, and philosophy of judgement have been and continue to be widely discussed among many scholars.

Post-Marxism is a trend in political philosophy and social theory which deconstructs Karl Marx's writings and Marxism proper, bypassing orthodox Marxism. The term post-Marxism first appeared in Ernesto Laclau and Chantal Mouffe's theoretical work Hegemony and Socialist Strategy. It can be said that post-Marxism as a political theory was developed at the University of Essex by Laclau and Mouffe.

Abstract. In Concept of the Political, Schmitt does not start with tabula rasa. 1 Rather, he takes his starting point to be the existing interpretation of the political by his own society 2 and the history of political theorization. Schmitt points out that, for liberal societies, the political is an activity that takes place in a predetermined area at predetermined times.
