The murder of Cheri Jo Bates is a currently unsolved murder that occurred in Riverside, California on October 30, 1966. Bates, an 18-year-old college freshman, was stabbed and slashed to death on the grounds of Riverside City College. Police determined the assailant had disabled the ignition coil wire and distributor of Bates's Volkswagen Beetle as a method to lure her from her car as she studied in the college library. The murder itself remains one of Riverside's most infamous cold cases and ha
