

The Police And Young People In Australia

The Police And Young People

In fewer cases (18%), contact between police and young people was the result of young people initiating contact with police. Of these incidents, the majority were young females (65%) rather than young males (35%). In these cases, young people generally contacted the police about being the victim of a crime.

Interactions between police and young people

Young people are often the victims of violent crimes and we need them to have confidence in the police if those crimes are going to be reported and dealt with effectively.

Young people in this country don't trust our police | The ...

The relationship between the police and young people in Australia is widely discussed in the community, and the media often focus on some of the more dramatic cases at street level. While the community is concerned about juvenile crime, worries have also been expressed about police harassment and violence directed at young people.

The Police and young people in Australia (Book, 1994 ...

Children and young people are treated differently from adults if they get in trouble with the police. What happens depends on their age and how serious the crime is. Age of criminal responsibility. The age of criminal responsibility in Scotland is 8 years old. This means a child aged 8 or older can be arrested or charged with a crime.

If a young person gets in trouble with the police - mygov.scot

young people can communicate with police in non-conflict and positive environments. The aims of the Police and Young People Together Project were in line with national concerns about police-youth relations. Methodology The initial evaluation framework identified by the funders was confronted by a number of significant problems.

Evaluation of the police and young people together Project

The young, the elderly, and the disabled represent three major groups in society for whom the police must provide specialized services.

Police + Community Relations 11 + 12 FINAL Flashcards ...

Police have to earn young people's trust, not enforce it upon them. Stop and search, for example, is also influenced by public perceptions of youth culture, racism, and a range of other stereotypes that some young people navigate every day. These assumptions have an effect on the relationship between the police and young people - who are victims of crime as well as those suspected of committing offences.
