The primary source of information about books on railway history is George Ottley's monumental bibliography, with its two supplements (no serious public library can claim to be that if Ottley is not available). Jack Simmons' overall evaluative surveys of the literature (both in his own books and in the Oxford Companion - Ottley is mainly non-evaluative) are also useful, but Simmons was less ...

BRADLEY STOKE Omega. Omega returns the adult reader to the world of childhood imagination: a

world populated by the fantastic, the fabulous and the thoroughly improbable. But a world where adult concerns of poverty, injustice, prejudice, politics and economics are all too real. In this world, the reader is taken on a search for the Truth in a more literal sense than one would expect.
