One of the guards always tells the truth and the other always lies. You don't know which one is the truth-teller or the liar either. You have to choose and open one of these doors, but you can only ask a single question to one of the guards.

Two doors with two guards - one lies, one tells the truth

One of the big problems with online dating for women is that, although there are genuine relationship-seeking men on the sites, there are also plenty of guys on there simply looking for sex.
